

Shelter Pet Trafficking

United All Breed Registry 888-908-9299

Originally published by email April 29, 2014

In this issue, we passed on an article from a mainstream media site, NJ.com. The journalist, Paul Mulshine, did some great digging to expose the extent of the international pet trafficking that is going on to support the insatiable greed of the pet shelter industry. Breeders have a new friend in the media! Click the screenshot below to read the report:

Animal activist watch: Pet traffick pups (Mulshine)

Beach Betty: She's a proud product of a pet store and a puppy farm, but if animal activists had their way I wouldn't have been
